Dear Parent/Carer,

Key Stage 3 Science CGP Study Guides

The Science Department would like to give you the opportunity to purchase the CGP Key Stage 3 Science Study Guide which accompanies the Science course that your child is studying in Year 7 and Year 8.

This guide is packed with core information and questions to practise with model answers. We feel that this will be an invaluable book for your child to use in order to support them with their homework, and revision throughout the school year.

The guide is normally retailed in shops at £6.50 but the college is able to obtain them at the reduced price of £3.15.

If you would like to purchase a study guide please pay via Parent Pay, within a month of ordering, they will then be given to your son / daughter at school. Alternatively, if you are in receipt of a Pupil Premium allowance and would like to use some of this to pay for a KS3 revision guide, please could you let us know by return email to financesouthamcollege@welearn365.com

Yours sincerely,

Mr J Eltringham
Head of Science
