Dear Parent/ Carer,

Year 7 exams – Monday 17th April to Thursday 20th April 2023

Firstly, I would like to take this opportunity to thank you for your continued support over the academic year to date. It has been fantastic to see how well the year group have settled into school this year, and it was a pleasure to take 208 students to the Isle of Wight last week and see how well they have developed as a cohort.

Please find attached a copy of the timetable for the Year 7 exams for your reference. Students will need all their usual stationery for the exams (pens, pencils, ruler, and rubber) but should also check with their subject teachers if they need any additional equipment such as calculators. The examinations on the timetable will take place in the Sports Hall.

As I am sure you are aware, this can be a very anxious time for students, and it is my responsibility to ensure your child feels comfortable and prepared. We value parental support during this important stage of the students' academic year to help them plan, revise, and be fully prepared for these assessments, however, if your child has any subject concerns I would encourage them to speak to their class teachers for additional advice and support. Some subject areas will also be uploading resources onto Classcharts.

In addition to these areas of support, we will also be dedicating time within the Year 7 tutor programme to support students in planning their revision and supporting them with ideas about how to revise. I wish every student the best of luck in preparing for these exams and during the exams themselves.

If you have any queries, please do not hesitate in contacting me at the college.

Best wishes.

Mrs L Erroi
Head of Year 7
